

ROCKY MOUNTAINS - Calgary, Alberta, Canada

With more than 200 schools, serving over 100,000 students, Calgary offers a wide range of academic courses and specialized services including ESL. Their teachers are highly trained and experienced with standards of academic excellence that are among the highest in the world. Each of their high schools has an international coordinator to help students with their academic and social programs. All chosen schools are within the Calgary Board of Education, offering the same curriculum and teaching standards. You can be assured that wherever you go to school you will receive a great education. As with all Choice Plus placements you will be living with a welcoming and fully screened host family.

School clubs: Amnesty International, Social Justice Club, International Cultures Club, Global Environment Club, Debate Club, Model UN, Diversity Club, Multicultural Club, Culture Club, Volunteer Club, Newcomers Club.

Calgary Highlights

- Calgary, Alberta is a vibrant, cosmopolitan city of over 1,000,000 people. Friendly, clean and safe, it has a high standard of living.
 - One hour away from the world famous Canadian Rocky Mountains.
 - Calgary offers a wide variety of outdoor activities, cultural attractions and more.
 - The city is home to major winter sporting facilities such as Canada Olympic Park (bobsleigh, luge, cross-country skiing, ski jumping, downhill skiing, snowboarding) and
 - the Olympic Oval (speed skating and hockey).
 - Canada Olympic Park serves as a mountain biking trail in the summer.
 - Many urban parks, Nose Hill Park is the largest municipal park in Canada. Connecting
 - these parks and most of the city's neighborhoods is one of the most extensive multi-use
 - (walking, bike, rollerblading, etc.) path systems in North America.
 - Bow River is very popular among fly-fishermen.
 - Golfing is also extremely popular and the region has a large number of courses.
 - Calgary hosted the 1988 Winter Olympics the 2009 World Water Ski Championship.
